EXPERIENCE

Micro Challenge Project

09/2024

Conducting research organization and assisting in designing wireframes.

Online Book Store Website

01/2024 - 06/2024

Project Based Learning

In my second semester, I lead a project called Online Book Store Website. The website looks very attractive and good. The target age is 13 to 45 years old, it can be used for school children and college students.

Documentation Divison Design

10/2023 - 10/2023

HMTI FAIR 2023

I participated in the student committee at the HMTI Fair Event with a member position in the documentation division of the design section. The designs I made were posters, mc cards, instagram feeds, certificates and ID cards.

Food Store Website

08/2023 - 12/2023

Project Based Learning

In my first semester, I led a project called Food Sales Website. This website was created to make it easier for buyers to order food easily at an affordable price. This website can be used by everyone.
